				The Price Is Based On Pieces

You only have to offer us:

1. Which model you are going to take?
2. How many pieces for each model you are going to purchase?
3. What size that you need? (If you need customization).
4. What is your logo or design? (If you need customization).

As long as you confirm the details above then I will quote you the exact prices including shipping

Warranty: Our warranty is 5 year, after you receive the goods or when you are selling, if you find any failure ones, please just take the pictures or videos and send to us, as long as we confirm it then we will replace the new ones for you without returning.
